

NORTHSTAR CHURCHES ON MISSION GROUP GOALS & TEAMS

Ministry TEAMS are representatives of NorthStar Churches who communicate, respond and equip. Our goal is to mobilize our churches' members to serve a larger community.

TEAM DISASTER RELIEF equips and certifies individuals to respond to requests for assistance after a natural disaster throughout U.S.A. Mobilization after storms, such as Katrina and Rita, has resulted in a connection with Baptist Association of Greater New Orleans (BAGNO).

TEAM ESL/EFL provides ESL teacher training and addresses needs of non-English speaking neighbors to become assimilated into their community. English for Foreign Language (EFL) training equips mission groups/individuals going to foreign areas.

TEAM HOUSING encourages participation with HABITAT of Northern Virginia and responds to needs of our neighbors who are experiencing homelessness and/or insufficient housing.

TEAM HUNGER encourages and equips churches to provide safe, nutritious food to families and individuals during stressful times and to equip families and individuals with all resources.

TORONTO PARTNERSHIP is extended throughout 2008. This is to encourage ministry collaborations with Toronto, Canada churches.

NEW TEAMS are welcome to participate. What are the needs which your church is providing? Can NORTHSTAR CHURCHES ON MISSION GROUP assist? For more information contact Sheri Link at Northstarlink@aol.com or 703-941-6822.
