Deacons and Pastors: Teammates in Ministry

“Although deacons and pastors sometimes have their differences, they are yoked together to strengthen the church to the glory of Christ. We will explore what pastors need from their deacons and vice versa, and how they can work together in harmony.”

Deacons as Spiritual Leaders

“The single constant in deacon ministry throughout Baptist history has been the expectation that deacons will be the spiritual leaders in their congregations. That many have failed to provide this leadership is obvious: one definition of ‘deacon’ is to deceive by promising one thing and delivering another. Never has the need for mature, spiritual leaders been greater.”
