Jud returns again to lead us in workshops. Recently retired as pastor in San Antonio, TX, he has served in the ministry for more than 30 years. He has authored nine books, including *The Leadership Labyrinth* and *Hidden Treasures*.

In this workshop, he will lead us in remembering how good our Good News is and how we can live and preach that Good News in our churches.

Jud asked that we read the book, and come prepared to be encouraged and rejuvenated. A limited number of books are now available in the Annandale office. Contact Sanford Beckett to purchase your copy.

RSVP by Sept. 26 to Mary Beth Inman in Annandale office
