

**10YEARANNIVERSARY**

## **WORKING TOGETHER TO END HUNGER IN OUR LIFETIME**

### **THE TRUTH ABOUT HUNGER**

- More than 1 billion people suffer from hunger.
- More people die each year from hunger-related causes than AIDS, malaria and tuberculosis combined.
- More than 25,000 people die of hunger-related causes every day.
- One out of seven people in the developing world suffers from hunger.
- Undernutrition is associated with more than half of all childhood deaths.
- There is enough food in the world to feed everyone 4.3 pounds of food every day.

### **WORLD HUNGER IS SURMOUNTABLE**

Stop Hunger Now's volunteer-based meal packaging program plays a significant role in feeding the world.

Our assembly process combines rice, soy, dehydrated vegetables and a flavoring mix including 21 essential vitamins and minerals into small meal packages. These meal packages are sent around the world to people suffering from severe hunger. The food stores easily, transports quickly and has a shelf-life of five years.

Since the program's inception in 2005, volunteers have packaged more than 17 million meals for the world's impoverished.

### **WHERE YOU COME IN**

Countless congregations, civic organizations, corporations and schools have enjoyed organizing a Stop Hunger Now meal packaging event. It is an immensely fun, hands-on and rewarding experience for anyone of any age.

35-40 volunteers can package 10,000 meals in just two hours.

### **GET STARTED**

- Set a goal for the number of meals you will package and contact your local program coordinator. One person packages approximately 300 meals per two-hour event.
- Recruit volunteers based on the number of meals you plan to package.
- Begin to fund your event. All you need to raise is 25 cents for each meal you package. Ask your local program coordinator for fun fundraising ideas.
