

MEET THE COUNSELORS
NorthStar Church Network
Counseling Assistance Program

Below is relevant data for the professional counselors who are working with NorthStar's Counseling Assistance Program. Persons covered by this program are those working in a pastoral role or other paid church staff position, including spouses and children, officially associated with NorthStar Church Network.

Persons seeking to utilize this program may personally contact one of the counselors below. This is a confidential program and no notification of name is made to nor record kept by the office of NorthStar Church Network. The program is sponsored by the Church Staff Health Committee of the Network.

This program provides funds to cover up to four counseling sessions for eligible persons.
